Purpose: Enterprise Architecture Foundation

To obtain knowledge and a basic understanding of Enterprise Architecture using the TOGAF® approach

I am an architect and need to be TOGAF certified
I need to pass the exam

I am an architect and need to learn an Enterprise Architecture method
I need to understand the method

I am not an architect and want to become one
I need to understand and pass …

I am an architect but not and Enterprise Architect
I need to learn a little about and/or understand the method
